RE: April 16 Qualifiers Meet

On Monday, April 16th, Glasgow will host a Qualifiers Meet. The idea behind this meet is to put your athlete in only one or two events to try to qualify them for state. Since the whole state is using qualifying standards in each class, we're hoping to keep building this into a better opportunity to help your athletes to better marks.

We also are taking most of our athletes and letting them pick an event they don't usually do – just to possibly discover an alternate event for them. In order for this to be a qualifier, it does need to be a full meet, and, obviously, we will use the FAT time.

There is a \$60.00 entry fee (dual gender). If you have a team of less than 10 contestants total, both boys and girls, the fee is \$5.00 for each contestant. Some schools will be asked to help run events. You will be notified before the meet begins of any events that you will be responsible to run.

We are trying to get as many workers as possible, but you will probably have to help with an event. We will try to minimize this as much as possible.
